## ABOUT THE AWARD

Yours Humanly is an organization of compassionate individuals who value and appreciate the good that millions of people across the country do for others on a daily basis. We are particularly in awe of the number of children who perform acts of goodness and who—at their young ages—are already making a difference in the lives of others. We must encourage them, through recognition and positive feedback, to continue to care for others and do what they can to ease life's journey for those who struggle—because we are a nation of people helping people and because it's the right thing to do.

For this reason, we created the *Children Have the Power to Empower*<sup>®</sup> Award, a first of its kind award that recognizes children across America for their outstanding acts of goodness.

## HOW THE PROCESS WORKS

- 1 Complete and submit a nomination form online, found at [YoursHumanly.org](https://YoursHumanly.org). There is no application fee.
- 2 The Award Committee reviews all nominations for eligibility and accuracy of submission.
- 3 To verify the information provided, we will contact the Nominee and the Nominee's parent(s) or legal guardian(s).
- 4 Verified nomination forms are presented to the Award Judges, who review and make final award decisions.
- 5 Once Award Recipients are chosen, the Award Committee will notify them with a congratulatory letter that includes a personalized certificate and a medal.

### MISSION
