

ABOUT YOURS HUMANLY

Driven by the belief that quality education is a basic human right, Yours Humanly funds local and global efforts to provide underprivileged children in underserved communities access to educational programs and resources.

By doing so, we are lifting children out of poverty and other challenging situations and empowering them to achieve better, brighter futures.

OUR MISSION

We empower underprivileged children in underserved communities around the world by providing access to educational programs and resources—pathways to better, brighter futures.

OUR VISION

A world where all children have an equal opportunity to receive a quality education.

OUR CORE VALUE

Quality education is a basic human right, and every child everywhere should be afforded that right in a safe and nurturing environment.

OUR CHAPTERS

In order to effect global change, we are building a global presence by establishing Yours Humanly chapters in every country in which we work. We do that by positioning teams at a grassroots level to work within the culture of the country and to directly aid the children we serve. We continue to expand our global reach on an ongoing basis in order to advance our mission.

WHAT WE DO

COLORING FUTURES

K-12 Scholarships

We provide K-12 scholarships and place underprivileged children in their local schools.

STEAM Programs

We fund and build upon STEAM programs to encourage student innovation and critical thinking.

Literacy Programs

We host literacy programs to promote reading, parent engagement, and opportunities for community involvement in local schools.

After School & Enrichment Programs

We provide assistance with after school programs to support classroom curricula and fund extracurricular activities that enrich the educational experience.

BRIDGING GAPS

Computers, Internet & Technology

We fund new computer labs, upgrade existing labs, and provide computer science instructors, where needed, to advance technological literacy.

Books, Backpacks & School Supplies

We fund the purchase of books, backpacks, school supplies, and other educational materials for individual schools and classrooms to bridge the gap between available resources and need.

Facility Needs

We fund basic facility needs that are deemed necessary to establish and maintain safe and effective learning environments.

When you **educate a child,**
you truly **change the world.**
